## Subpart 3108—Relinquishment, Termination, Cancellation

### § 3108.1 As a lessee, may I relinquish my lease?

You may relinquish your lease or any legal subdivision of your lease at any time. You must file a written relinquishment with the BLM State Office with jurisdiction over your lease. All lessees holding record title interests in the lease must sign the relinquishment. A relinquishment takes effect on the date you file it with BLM. However, you and the party that issued the bond will continue to be obligated to:

(a) Make payments of all accrued rentals and royalties, including payments of compensatory royalty due for all drainage that occurred before the relinquishments;

(b) Place all wells to be relinquished in condition for suspension or abandonment as BLM requires; and

(c) Complete reclamation of the leased sites after stopping or abandoning oil and gas operations on the

lease, under a plan approved by the appropriate surface management agency.

### § 3108.2 Termination by operation of law and reinstatement.

#### § 3108.2-1 Automatic termination.

(a) Except as provided in paragraph (b) of this section, any lease on which there is no well capable of producing oil or gas in paying quantities shall automatically terminate by operation of law (30 U.S.C. 188) if the lessee fails to pay the rental at the designated Service office on or before the anniversary date of such lease. However, if the designated Service office is closed on the anniversary date, a rental payment received on the next day the Service office is open to the public shall be considered as timely made.

(b) If the rental payment due under a lease is paid on or before its anniversary date but the amount of the payment is deficient and the deficiency is nominal as defined in this section, or the amount of payment made was determined in accordance with the rental or acreage figure stated in a bill rendered by the designated Service office, or decision rendered by the authorized officer, and such figure is found to be in error resulting in a deficiency, such lease shall not have automatically terminated unless the lessee fails to pay the deficiency within the period prescribed in the Notice of Deficiency provided for in this section. A deficiency shall be considered nominal if it is not more than \$100 or more than 5 percent of the total payment due, whichever is less. The designated Service office shall send a Notice of Deficiency to the lessee. The Notice shall be sent by certified mail, return receipt requested, and shall allow the lessee 15 days from the date of receipt or until the due date, whichever is later, to submit the full balance due to the designated Service office. If the payment required by the Notice is not paid within the time allowed, the lease shall have terminated by operation of law as of its anniversary date.
